

BCKC Covid Protocols Reminders

In order to ensure that we can continue to offer our programs and keep everyone safe, please remember the following:

- Do not come to the lake if you have any [symptoms of Covid-19](#), or if you have been told to self-isolate.
- Wear a non-medical mask on the dock and in the boathouse
- Wash/sanitize your hands on arrival and when leaving.
- Do not share equipment (or sanitize between uses if necessary)
- Practice physical distancing
- Observe limits on numbers of people on dock/in boathouse/in washroom. Remember that this is a shared facility so watch for others too!
- Come dressed to paddle and leave as soon as your session is over.
- Parents - please wait in the parking lot in order to reduce crowding around the dock and boathouse

Be kind, be calm and be safe!
